

Sportsman Lake Park

Re: Hours and Winter Wonderland

We have closed for the holiday season and we are currently setting up the Winter Wonderland Christmas Light Display. The first day of the Winter Wonderland Christmas Light Display is November 20, 2020. Entrance fee for the event is \$10 per car.

We are no longer renting pavilions, camping sites, or the activity center. We will resume renting the facilities listed in March of 2021. Also, closed for the holidays are amenities such as putt putt, train rides, boats, and etc. Stay up to date by checking back with the website, or following us on Facebook with the links available at www.cullmancountyparks.com.

Thank you, and have a safe holiday season.
